

COVID-19 Best Practice Scout Model Guideline

Adopted - 3/25/2020
Revised - 5/26/2020

The scout strategy is designed to reduce the risk of COVID - 19 exposure, preserve PPE, and continue to deliver the highest standard of patient care.

NO NON-ESSENTIAL PERSONNEL IN THE HOT ZONE.

The 'Scout' may be defined as A) Firefighter/EMT or B) Firefighter/EMT with Probationary Firefighter/EMT.
